## IZA PLAYS 'SILENT SESSIONS'

Iza presents a new musical adventure called 'Fountain in the city'. Every month she is looking for an ideal place to record a 'silent session': a place in the city where you can get away from the noise and daily routine. Twelve intense songs thus receive their destination. Enjoy watching the videos every twelfth of the month on [www.izamusic.be](http://www.izamusic.be). Send in your favorite quiet place to win a 'silent concert' there.

A year filled with music. The story of the new record 'Fountain in the city' begins on the 11th of January at De Klinker in Aarschot, followed by a series of concerts. Every month Iza will indulge us with a new song from a 'silent session'. In the meantime, she will be finishing the album with Sam Janssens. The list is composed of twelve honest songs, shifting from dream to reality. Sugarbeat, the record label of Anton Walgrave, will release the record in spring.

Annelies (Isabelle) Tanghe, stage name Iza, released her debut 'Picture of you' in 2010. The first single, 'Tell You in A Song' was on the playlist of Radio 1, the singles 'Sunshine' and 'Friendly Fire' were regularly aired on Radio 2. ----
